

# Freight Transport and Logistics Highlights

(Version: 5th April 2018)

The overall program can be consulted in: <https://www.conftool.pro/traconference2018/sessions.php> and all information on the conference in the following link: <http://www.traconference.eu>. You may download TRA Mobile App: <https://www.traconference.eu/organise-tra-participation-tra-2018-mobile-app/>.

The program is divided in:

<b>Plenary sessions</b> dedicated to important policy challenges addressed by invited keynote speakers
<b>Strategic sessions</b> fostering exchange between industry and policy makers and addressing major innovation fields
A large number of <b>scientific and technical &amp; Invited sessions</b> in which reviewed papers will be presented either orally or as posters to the audience
Poster presentations for <b>Outreach Marketplace</b>
<b>Projects presentations in ALICE Booth</b>

The table below includes the Plenary Sessions and a selection of the Freight Transport and Logistics highlighted sessions by ALICE due to their relevance for Freight Transport and Logistics.
