### **Feedback welcome on:**

- Experience in Book & Claim?
- Do you have remaining questions?
- To what extent you consider book & claim will support acceleration of logistics decarbonization?
- Are you engaged in any association or community working on Book & Claim? which ones?
- Would you be interested in sharing your experience with other ALICE members or learn experiences from ALICE members active in Book & Claim?
- Is there any gap in Book & Claim that should be further pursued by ALICE in its role as European Technology Platform on Logistics (i.e. linked to Collaborative Research & Innovation and/or European Policies).
