A photograph of a diverse group of professionals seated at a conference table, clapping and smiling. The individuals are dressed in business casual attire. In the foreground, a woman with long dark hair in a light grey blazer is clapping enthusiastically. To her right, another woman with dark curly hair in a black blazer over a patterned top is also clapping. Other participants in the background, including men and women, are visible, some clapping and others looking towards the front. The setting appears to be a formal meeting or conference room with a white table in front of them holding papers and a glass of water.
