Exhibition opportunity: ALICE Logistics Innovation Summit 2026 (16-17 November)

- Brings together companies, researchers, public authorities, associations, and policy stakeholders to discuss ways in **which logistics and supply chains can be made more efficient, resilient, and aligned with Europe's decarbonisation goals.**
- 2026 theme: "***From megatrends to market: Scaling logistics innovation for impact***".
- Projects, organisations, and companies are **invited to book an exhibition space.**
- Exhibiting gives your project and organisation the opportunity to:
  - *showcase results where they matter*
  - *reach the right stakeholders*
  - *enhance communication, dissemination and exploitation*
  - *strengthen uptake and replication potential*
  - *position your work within European logistics innovation priorities*
- For more information, scan the QR code below:

Thank you for joining!

Stay tuned on POLIS and ALICE channels to stay informed all issues mobility and logistics.
