

ALICE Logistics Innovation Summit 2026

17-18 November 2026, Tangla Hotel, Brussels

Preliminary programme

Day 1: 17 November 2026

Time/Room	Session
09:30 - 10:00	**Welcome and registration** Workshop: (Wo)men in logistics Circle breakfast (lobby) Moderator: Marianna Levtov, *Hoopo*
10:00 - 10:15	**Opening & welcome** **Andrea Condotta,** *ALICE Chair* **Fernando Liesa,** *Secretary General, ALICE*
10:15 - 11:30	PLENARY SESSION **The future logistics landscape: policy, investment, research & innovation and industry perspectives** *Session description available online* **Speakers:** **Axel Volkery,** *European Commission - DG MOVE* **Adrien Garcia**, *IKEA* **Francois-Regis Le Tourneau,** *ALICE*
11:30 - 12:15	**Coffee Break**
12:15 - 13:15	PLENARY SESSION **The global logistics trends and Europe's strategic position** *Session description available online* **Speakers:** **Jongkyoung "JK" Kim,** *Korea Conformity Laboratories*

	Prof. Takayuki Mori, *JPIC / PIAJ* **Damiano Frosi,** *Politecnico di Milano*
13:15 - 14:30	**Lunch break** Workshops: 13:45 – 14:30 – RISE-SME workshop “Cyberattack” 13:45 – 14:30 – RISE-SME workshop “Absenteeism / Staff Shortage”
14:30 - 15:30	PARALLEL SESSIONS

Decarbonisation	*Interconnected and resilient logistics networks*	*Urban logistics*
Long-haul electrification reality check: digital tools for BEV transition planning *Session description available online* **Speakers:** **Ettore Gualandi,** *Gruber Logistics* **Marco Torresan,** *Codognotto* **Mads Rasmussen,** *DFDS*	**Ports and connected hubs in Europe’s logistics transformation: from European Ports Strategy to FP10 priorities** *Session description available online* **Speakers:** *European Commission DG MOVE (TBC)* **Arne-Jan Polman,** *MAGPIE project coordinator* **José Andrés Giménez,** *TIC 4.0*	**Shared and multifunctional urban space for logistics** *Session description available online* **Speakers:** **Marie-Louise Seifert,** *City of Munich* **Wiebke Müller,** *EIT Urban Mobility* **Joy Pasquet,** *Amazon* **Xavier Heulin,** *INDIGO Group* **Rémi Goleger,** *CORSALIS*

15:30 - 15:45	**Exhibitors pitches**

Logistics Innovation Summit 2026

Brussels
17-18 November 2026

15:45 - 16:30 **Coffee Break**

Workshops:

15:55 – 16:30 - Automation in Logistics – From Innovation towards a deployment of an Automated Logistics System

15:50 – 16:30 – RISE-SME workshop “Geopolitical Instability”

15:50 – 16:30 – RISE-SME workshop “Energy Disruption”

16:30 - 17:30 PARALLEL SESSIONS

Decarbonisation

Understanding freight emissions calculations. From CountEmissionsEU to real-world implementation

Session description available online

Speakers:

Laura Mata, *ALICE*

Antonio De Rose, *European Commission, DG MOVE*

Carlo De Grandis, *European Commission DG CLIMA*

Alan Lewis, *SFC*

Andrea Tecilla, *Greenrouter*

Interconnected and resilient logistics networks

Advance implementation of ALICE Physical Internet roadmap

Session description available online

Speakers:

Paola Astegiano, *FIT*

Jorn Kveseth, *DHL Norway*

Eric Ballot, *Mines ParisTech*

Koen Mommens, *VUB*

Orestis Tsiolakis, *CERTH*

Digitalisation & Automation

From compliance to deployment: enabling interoperable logistics through data spaces, eFTI and community-driven use cases

Session description available online

Speakers:

Alexio Picco, *Magellan Circle*

Ruben Bettens, *GS1*

Łukasz Muzyka, *CargoOn*

17:30 - 17:45	**Exhibitors pitches**
18:30 - 19:30	**Networking cocktail**
19:30 - 22:00	**Networking walking dinner & ALICE Logistics Innovation Award 2026** *Invitation or ticket required;* *Dress code Business Casual*

Day 2: 18 November 2026

Time / Room	Session		
09:00 - 09:30	**Welcome and registration**		
09:30 - 10:30	PARALLEL SESSIONS		
	Decarbonisation **Powering zero-emission trucks: aligning AFIR, TEN-E and corridor delivery with the European Commission** *Session description available online* **Speakers:** **Martin Burgat**, European Commission *DG MOVE* **Graham Major-Ex**, *sennder,* **Rob Kroon**, *FIER* **Gabrielle Clark,** *E-Mobility Europe*	*Interconnected and Resilient Logistics Networks* **Beyond collaboration: the multimodal freight decision challenge** *Session description available online* **Speakers:** **Michael Archer,** *CHEP* **Serge Schamschula,** *TRIMBLE* **Mehmet Kizilmeze,** *DP World* **Volker Schmidt,** *P&G*	*Digitalisation & Automation* **AI in Logistics: from evidence to deployment** *Session description available online* **Speakers:** **Enrico Alan Romani,** *AWS* **Lucas Schreiber,** *Fraunhofer IML* **Harbil Arregui Martiarena,** *Vicomtech*

10:30 - 10:45	**Exhibitors pitches**		
10:45 - 11:15	**Coffee Break** • ALICE Express (10:45 - 12:45)		
11:15 - 12:15	PARALLEL SESSIONS		
	Digitalisation & Automation **Europe's Road Freight Automation Competitiveness by 2035. Full deployment or Still Demonstrating?** *Session description available online* **Speakers:** **Marzena Jougounoux,** *European Commission, DG RTD* **Sasko Cuklev,** *Volvo Autonomous Solutions* **Karen Van Brussels,** *Port of Antwerp-Bruges*	*Interconnected and Resilient Logistics Networks* **Who pays for resilience? Balancing cost, sustainability and reliability** *Session description available online* **Speakers:** **Carolina Ciprés,** *ZLC* **Eric Feyen,** *UIRR*	*Urban logistics* **Transforming urban data into action enabler** *Session description available online* **Speakers:** **Philippe Langer,** *Mobility Data Space* **Lorenzo Maggioni,** *GEL Proximity*
12:15 - 12:30	**Exhibitors pitches**		
12:30 - 13:45	**Lunch**		
13:45 - 15:15	PLENARY SESSION **From Vision to Investment: Building Europe's Logistics Innovation and Competitiveness Agenda 2028-2035** *Session description available online* **Speakers:** **Andrea Gentili,** *European Commission, DG RTD* **Fernando Liesa,** *ALICE*		

alice
Alliance for Logistics Innovation through Collaboration in Europe

Logistics Innovation Summit 2026

Brussels
17-18 November 2026

15:15 -15:30	**Closing**
15:30 - 16:00	**Coffee break**
16:00 - 17:00	**Workshops** • Scaling Logistics Innovation: From Regional Ecosystems to European Competitiveness • Intralogistics community: future perspectives, priorities and networking • RISE-SME “Raw Material Shortages”
